

**The TYA Thunder U10 boys soccer team is still looking for a couple of new players that are really interested in playing competitive travel soccer. They will develop skills of the game, sportsmanship, team play and responsibility. We have 2 spots left on the team. U10 boys are born between 8-1-99 and 7-31-00, but we will consider U9 players as well.**

**Upcoming practice dates are: June 29, July 1, July 6 at Grist Mill park 6pm to 7:30.**

**Some info about the team**

**Last season the TYA Thunder were a new team formed with both U10 players and U9 players playing up an age group. Most of the boys had very little competitive soccer experience. They came together during the season to achieve a very respectable record of 2- 6- 2. We played in a few outdoor tournaments and one indoor tournament.**

**Plans for next year will include 3 or 4 outdoor tournaments and more indoor soccer. The team will be an age pure team. To build upon the strong player development started last year, the team will continue to spend more time on the fundamentals at training. Also I would like to see the players attend a team soccer camp this summer.**

**Emphasis will be on skills, team play, sportsmanship and fun.**
